## SUIT

*(intro: riff based on E-chord)*

*E Esus4 E Esus4*

This day suits you well.

*E Esus4 E Esus4*

Honest, I can tell.

*E Esus4 E Esus4*

That this one fits in fine,

*E Esus4 E Esus4*

with your favorites of all .. time.

*E Esus4*

If this is where you're coming from

*E Esus4*

and these are all that you've become,

*E*

you're everywhere

*Esus4 E A6 C6*

but no one's there to .. find.

*(E Esus4) (repeat)*

La la la,... (repeat)

*(E Esus4)(same alternation as verse)*

If this is where you're coming from

and these are all that you've become,

you're everywhere

but no one's there to find. And

if this is where you're going to

and no one to keep up with you

Well, I suggest you leave 'm all behind.

*A6 C6 B6*

I've been hanging on for ages.

*A6 C6 E Esus4*

Hoping for this day to come.

*E Esus4 E Esus4*

This day suits you well.

*E Esus4 E Esus4*

A fine one to .. excel.

*(E Esus4) (repeat)*

*ending:Emaj7*
