

BENJAMIN B

THINGS

intro: G C Em C G C Fmaj7 D
G C Em C G C Fmaj7

G C
I forgot our anniversary
Em C
And almost your birthday too
G C
I'm always last to notice
Em C
That your shoes and haircut both are new

G C Em C
You buy me things
G C Em C
You buy me things

(same chord progression in every verse)

I fail to make a simple phone-call
To inquire about your day
And when I do, on rare occasions
I don't have a lot to say

(repeat chorus)
(repeat intro)

One can say I'm not attentive
And tangled up inside my mind
So easily I take for granted
For I am not the giving kind

That buys you things (3x)
